WHISTLE BLOWER POLICY / VIGIL MECHANISM

FIEM INDUSTRIES LIMITED

WHISTLE BLOWER POLICY / VIGIL MECHANISM

1. Background

- 1.1 This captioned policy was originally formulated pursuant to Section 177 of the Companies Act, 2013 read with Rule 7 of Companies (Meetings of Board and its Powers) Rules, 2014 and erstwhile Clause 49 of the Listing Agreement (effective from 1st October, 2014) which mandated every listed company to establish a vigil mechanism for the directors and employees to report genuine concerns in such manner as may be prescribed. Such a vigil mechanism shall provide for adequate safeguards against victimization of persons who use such mechanism and also make provision for direct access to the chairperson of the Audit Committee.
- 1.2 To substitute erstwhile Listing Agreement, SEBI has notified SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015 (Listing Regulations), which has become effective from 1st December, 2015.
- 1.3 Regulation 22 of the Listing Regulations requires that every listed company shall formulate a vigil mechanism for the directors and employees to report genuine concerns in such manner as may be prescribed. Such a vigil mechanism shall provide for adequate safeguards against victimization of any person who use such mechanism and also make provision for direct access to the chairperson of the Audit Committee. These provisions of Listing Regulations are similar to corresponding provisions of erstwhile Clause 49 of the Listing Agreement; hence the existing **Whistle Blower Policy / Vigil Mechanism** already comply with the requirements of Regulation 22 of the Listing Regulations.
- 1.4 The present revision is mainly carried out to incorporate the reference of relevant Listing Regulations and remove the reference of erstwhile Listing Agreement.

2. Policy Objectives

- 2.1 The Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations. To maintain these standards, the Company encourages its employees who have concerns about suspected misconduct to come forward and express these concerns without fear of punishment or unfair treatment. A Vigil (Whistle Blower) mechanism provides a channel to the employees and Directors to report to the management concerns about unethical behaviour, actual or suspected fraud etc. The mechanism provides for adequate safeguards against victimization of employees and Directors to avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee in appropriate cases.
